Education

High School Diploma

Immaculata High School

2020-2024

I graduated with honors from Immaculata High School in Somerville, NJ, completing all honors and AP classes. I received the Presidential Service Award, earned merit scholarships, and participated in Varsity Track, Golf, National Honor Society, Rho Kappa, and served on the Campus Ministry Board.

Associates of Applied Science

Mercer County Community College

2024-2025

I am a sophomore in the aviation program, currently earning my certifications to qualify for a career in the airlines. With a 3.7 GPA, I have demonstrated strong academic performance while mastering the skills required for aviation. My studies focus on flight operations, safety procedures, and navigation techniques, providing a comprehensive foundation for a future in commercial aviation.

Experience

Emergency Medical Services Driver

Branchburg Rescue Squad

2024-Present

I safely operated ambulances for emergency responses, ensuring timely patient transport to healthcare facilities. I collaborated with medical teams, prioritized patient care, and upheld safety protocols while maintaining operational readiness and professionalism.

Ambulance Assistant

Branchburg Rescue Squad

2023-2024

I provided emergency care, patient transportation, and responded to healthcare calls. I assisted with assessments, first aid, rescue operations, non-emergency transfers, and maintained ambulance readiness.

Customer Service Associate

Wegmans Food Markets

2021-Present

I thrived in retail roles such as Front-End Worker, Self-Checkout Attendant, and Helping Hands Associate. I ensured excellent customer service, assisted with tasks like restocking and cart-to-curb services, and adapted to staffing needs with ease.
